OPINION AND ORDER

On July 15, 2008, the United States Magistrate Judge for this District filed Findings and Recommendations in this case reversing the administrative decision and remanding it to the Administrative Law Judge (hereinafter "ALJ") for further administrative proceedings. No objection to the Findings and Recommendations were filed of record. Accordingly, the court deems them as confessed by the parties.

The court finds the proper standards were applied and the Findings of the Magistrate Judge should be **affirmed**.

Upon full consideration of the entire record and the issues herein, this Court finds and orders that the Findings and Recommendations of the United States Magistrate be affirmed and adopted by this Court as this Court's Findings and Order, and pursuant to the fourth sentence of 42 U.S.C. §405(g), this case is reversed and remanded to the defendant for further proceedings consistent with this order.

IT IS SO ORDERED this 31ST day of July, 2008.

Frank H. Seay
United States District Judge
Eastern District of Oklahoma
